

# Directions to Morgantown Generating Station

## From Waldorf, Maryland

(Approximately 33 minutes/27 miles)

- Drive south on US-301.
- Take the last exit on the left, before the Harry Nice toll bridge.
- To enter the plant, tell the guard your name and the name of the Mirant employee you are there to see. If you are a Mirant employee, show your Mirant ID badge.

## From King George, Virginia

(Approximately 18 minutes/16 miles)

- Head southeast on Kings Highway (VA-3 East) to VA-205 and turn left, heading east.
- Turn left onto US-301 North and cross into Maryland.
- Plant is on the right.
- To enter the plant, tell the guard your name and the name of the Mirant employee you are there to see. If you are a Mirant employee, show your Mirant ID badge.
